Dear Shooters,

The NCTA BOD, the NCTHOF BOD and I wish to invite you to join us for the 111th annual North Carolina State Trap Shoot. It will be held on June 5th - 9th 2024 at the NC Home Grounds in Bostic, NC. Many have given time, money and/or material goods to help with the continued growth of trap shooting on both the state and local level. Thanks goes out to all that load traps, score, cashier, classify, run the computer, prepare the meals and run the shoots all across the great state of North Carolina. You are all vital to a successful trap program in the state. I would also like to thank all the youth coaches and parents that are working with our youth shooting program. We cannot thank you enough.

We will be using a maximum of 17 PAT traps, Canterbury voice releases and White Flyer targets. A 100 targets per field will be utilized. Our target setters are unchanged and we will offer the best targets possible within the rules. Trap assignments will be determined by the roll of the dice prior and the first three flights will be posted on the squad board. If you are not on the first three flights, I suggest you check with myself or the person running the squad board to make sure of your trap assignment. When squadding please fill in squads to so that you are shooting on a 5 person squad as the ATA rules dictate. To make sure the shoot runs in a timely manner please limit time between boxes to 2 minutes.

We will have a NC Club Team Championship which will run concurrently with the Singles Championship on Saturday. The Club Team Championship is open to all NC shooters, but you must sign up and designate which active club you are shooting for. Clubs may have more than 5 shooters, but only the top 5 will count. Ties will be resolved using reverse score by subevent. The Captain (high score) will receive a leather shooting bag which is donated each year by Ron Burdick. Each member of the winning team will also receive two boxes of Shells. We will also have a NC/SC team challenge with the winning team receiving a travel Championship Trophy. The winning team will keep the trophy until the next NC State Shoot. All NC and SC shooters are eligible. Teams will be determined by using the top 5 HAA shooters from each state. Watauga Gun Club won the Club team championship last year and NC won the NC/SC challenge.

With over \$10,000 dollars in cash and trophies available, there should be something for everyone. Check the program carefully for added options, open trophies, resident trophies and non-resident trophies. North Carolina sub-juniors and juniors who have met target requirements for 2024 target year may shoot championship events FREE. However they must pay the \$7.00 daily fee and cannot play money options.

Looking forward to seeing you at Bostic.

Marty Hill NCTA president
